Promoting independent living since 1956

Sight Advice South Lakes is a local Charity based in Kendal which provides support for people living with sight loss in the South Lakeland area.

“If Sight Advice didn’t exist I would have problems. I’m grateful for all the help”

1 in every 9 people aged over 60 are currently living with sight loss

Each week, 2 people are registered blind or partially sighted in South Lakes

By becoming a Friend of Sight Advice your regular donation will be used to give direct support to over 1000 people in our local community who are visually impaired.

“£10 can be used to help us to run one of our support and information groups, supporting people to know that they are not alone”

“£20 can help us to deliver our IT sessions, which support people to learn how to use computers to help with their independence”
